ADOPT-A-LEARNER

This project has trained over 1134 learners from schools throughout the Cape Town and Boland areas. Thanks to all our sponsors that have adopted learners over the past year. By adopting learners you will be helping the project achieve that goal, which is to train learners from all 600 schools in Cape Town and to repeat the process for the next generation of high school learners.

There are 2 different ways you could adopt-a-learner:

Option 1 - A single learner – R250.00

Option 2 - A group of 20 learners from the same school – R5000.00

Option 1- R250 per learner
